IMPRESSED with a firm belief that the safety of the glorious institutions under which we live, and which have been bequeathed to us, as a sacred and inestimable legacy, purchased by the blood and toil of the Fathers of the Republic, depends upon a well regulated and strictly disciplined Militia; that such a militia is especially necessary in the community in which we live, from the peculiar character of our population, which renders it necessary to be always prepared, and ever on the alert to meet a danger which may have its being among us, without our knowledge, and may break forth in our most unsuspecting moments:—fully convinced, that it is the duty of every citizen to contribute not only to the necessary pecuniary exigencies of his country, when demanded, but to be prepared in times of danger, when the peace, and welfare, and dignity of that country is threatened, to interpose his person as a shield and safeguard between her and dishonor; that, to obtain this laudable and honorable object, a proper organization, and a strict bond of union and of action is required, as well in peace as in war; and that a corps devoted to the service of field artillery is an honorable, important and efficient branch of the national or State defence,—affording the best opportunity to render valuable those services which it is our duty and our desire to proffer to our beloved country on all occasions, when the support of her rights or interests may demand them:—We, the Officers, and Non-commissioned Officers, and Privates of the Chatham Artillery, whose names are hereunto subscribed, for the purposes above recited, and with a view to obtain a knowledge of military tactics, and especially of that

portion more particularly embraced by the title of our association, do hereby solemnly agree to the following "Rules for the Government of the Chatham Artillery," and to such others as may hereafter be found expedient and proper for the same purpose, passed under the regulations, and in the mode herein prescribed, and which are not contrary to the constitution and laws of this State, or of the United States. And we do hereby pledge our honor, of which our signature is witness, that we will, to the best of our ability and understanding, devote ourselves to the advancement of the interests of the corps, to which we have voluntarily attached ourselves, by all honorable means; and ardently co-operate in the increase of its strength, respectability and discipline; and that we will foster and maintain sentiments of respect and affection, towards each other, as soldiers and citizens, and united as a band of brothers, devote ourselves, when occasion requires it, to the service of our country.

RULE ELEVENTH.

MILITARY DUTIES OF THE CORPS.

SEC. 1. There shall be four stated parades of the corps, viz : On the 8th of January, the 22d of February, the 1st of May and the 4th of July in each year, except when these days fall on Sunday, and then on the succeeding Monday. The want of a summons shall not be received as an excuse for default at the stated parades and quarterly meetings of the corps, but will be no justification to a summoning officer for neglect; his duty being to summon in all cases.

SEC. 2. The officer commanding is hereby authorized to order parades and drills at his discretion, in addition to the parades enumerated under the preceding section.

SEC. 3. At every funeral parade of the corps, each member shall appear in full uniform, with crape round the left arm and side arms mourned.

SEC. 4. For the purpose of fatigue duty, the privates of the corps shall be detailed by the First Sergeant into four sections, to each of which shall be attached at least one Sergeant and one Corporal, and be called the 1st, 2d, 3d and 4th sections. The 1st shall serve the first quarter of the year, and the other sections each three months in succession. The subalterns shall by rotation, take the command of these sections every three months, and shall be responsible for the faithful discharge of their duties. It shall be the duty of the officer commanding the Fatigue Detachment, to summon his detachment at the Armory at least twelve hours previous to parade. It shall be the duty of the Fatigue Detachment at such time, to see that the requisite number of cartridges are prepared, the limber chests properly supplied with all necessary implements, the guns in complete order, and everything prepared for the approaching parade. It shall be the duty of the officer commanding the Fatigue Detachment to have the guns cleaned within twenty-four hours after each parade, and on the expiration of his term of duty, to turn over to the officer next succeeding, all the *materiel* belonging to the company, in such order as may be satisfactory to said succeeding officer, and also to give him a written statement of such *materiel*, a duplicate copy of which he shall also give to the First Sergeant.

SEC. 5. The officer commanding, shall in times of alarm from fire or insurrection, or when deemed by him expedient, fix an alarm post, and give a parole to the company. The Alarm Detachment shall assemble at the Armory at every alarm of fire that may occur in the city of Savannah at any time between sunrise and sunset—members of the said detachment to appear on alarm duty, in Fatigue Undress Coat and Cap, with side-arms. The said detachment shall remain at the Armory until the alarm be over, or until the detachment is dismissed by the officer in command, or by some regimental officer.

The Alarm Detachment shall consist of one Sergcant, one Corporal, one Lance Corporal and ten privates.

The Alarm Detachment shall be detailed by the Orderly Sergeant, at the quarterly meetings respectively in January and July, to serve respectively for six months. It shall be the duty of the officer in command of the Alarm Detachment, so soon as practicable after the same is detailed, to give notice in writing to each member detailed.

In case of the failure of the officer in command to notify his detachment in the manner hereinbefore provided, said officer shall be subject to the fine hereinafter specified.

Upon the firing of three guns by the Alarm Detachment, it shall be the duty of the company to assemble at the Armory immediately, in Fatigue Uniform.

SEC. 6. The roll shall always be called in fifteen minutes after the appointed hour of meeting, whereupon the Company will be under the command of the senior officer present.

SEC. 7. For the improvement in the service of gunnery, on the stated parade on the 8th of January in every year, the Company shall be marched to a military position for the purpose, and being equally divided according to the number of guns, shall fire successively with ball, at a target, and that member of either gun who shall have pierced the target nearest to the centre of the bull's eye, shall be entitled to such prize as shall be determined on at the quarterly meeting in October previous, and a white plume to be presented by the officer commanding, and to be worn by such member as a mark of honorable distinction for the space of one year.

SEC. 8. The Subalterns, non-commissioned officers and Lance

Corporals, shall compose a separate detachment, and shall be drilled by the commanding officer, at least once in every three months.

SEC. 9. For the purpose of instruction and carrying more fully into effect Rule 2d, Sec. 2, the privates of the Company shall be divided by the First Sergeant into four detachments, to be known as the 1st, 2d, 3d and 4th, to each of which shall be attached at least one Sergeant, one Corporal and one Lance Corporal.

The Subalterns shall take charge of each detachment, by rotation. Each of these detachments shall be drilled once in every alternate month of the year. The Subalterns in their turn shall appoint the time for holding the drill, and the respective detachment-non-commissioned-officers shall, in accordance therewith, duly give notice of the same to the privates of their detachments. Said drills are to be exclusive of any which may be ordered by the commanding officer of the corps.

RULE TWELFTH.

STATED PECUNIARY LIABILITIES.

SEC. 1. Each person, on becoming a member of this corps, shall pay to the Treasurer an admission fee of Three Dollars; and there shall also be paid to the same officer, at the quarterly meeting in January of each year, an annual contribution of Seven Dollars by each commissioned officer—of Six Dollars by each non-commissioned officer—of Five Dollars by each private; and at the same time, and to the same person, each non-commissioned officer and private shall pay One Dollar to defray the expense of the annual prize to be awarded to the successful shot at Target Firing, and no member shall be allowed to fire for the prize without first paying the usual fee. No member shall be allowed to contend for the prize unless he appear in uniform.

SEC. 2. No person shall be considered a member, or be allowed to parade, until he shall have paid to the Treasurer his admission fee, nor shall any member be allowed to parade with the Company, until he shall have passed the Drill Committee, unless by permission of the officer commanding.

RULE THIRTEENTH.

FINES AND PENALTIES FOR VIOLATION OF THESE RULES.

SEC. 1. All excuses made to the First Sergeant, where a defaulter claims exemption from fine, must be in writing, and made within ten days from the date when such fine accrued, and none will be valid to clear the member, unless the assigned cause of absence should be sickness, or any bodily hurt—absence from the city, after notice being given to that effect, want of a summons for any assemblage of the corps or a portion thereof, and death or extreme illness in the immediate family of the member. The First Sergeant, before admitting any such excuse, must be satisfied in his own mind that the cause assigned did actually exist, and may require the certificate of two other members, that they were cognizant of the causes set forth in said excuse. When exemption is claimed by reason of want of summons, and it appearing by the return of the summoning officer that the member was duly summoned, one-half of the fine shall be paid by the summoning officer and the other half by the defaulting member. If it cannot be made to appear who was in fault, the fine shall be paid in full by the defaulting member.

SEC. 2. The following fines and penalties shall in all cases be enforced, except when a member clears himself therefrom under the provisions of these Rules :

SEC. 3. In all the above recited cases of fine, the amount stated is that payable by a private, and shall in all cases be increased 50 per cent. against a non-commissioned officer, and 100 per cent. against a commissioned officer, respectively.

SEC. 4. Twenty-five cents per month shall be paid by every active member, as an Armory Fund, to be paid to the Treasurer, at every quarterly meeting, and if not then paid, such defaulting member shall be dealt with as is provided for in Section 9th, Rule 13. And it shall be the duty of the Treasurer to pay over the amount so received (without commissions,) to the Chairman of the Finance Committee, for the purpose of reducing the debt of the Armory building, and when said debt is extinguished, this section to be of no effect.

SEC. 5. Every officer in command of a Fatigue Detachment, who shall fail or neglect to have the guns cleaned within forty-eight hours after each parade of the Company, shall be fined \$5. Every officer in command of Fatigue Detachment, failing to perform the duties required in Section 4th, Rule 11th, shall be fined \$5.

SEC. 6. Should any commissioned officer wilfully neglect, omit or refuse to perform any of the duties prescribed in these rules not specially provided for, he shall be fined ten dollars, and for a repetition of the offence, may, by a vote of the commissioned

officers, be expelled from the corps; and any non-commissioned officer failing, omitting, or refusing to perform the duties prescribed in these rules, shall be subject to a fine of five dollars, and on a repetition of the offence, may, by a majority of the commissioned and the other non-commissioned officers, be expelled from the corps.

SEC. 7. In case the Secretary, or Treasurer, or the member or members having charge of his or their departments should not be present at any stated Company meeting, said Secretary or Treasurer, or the member or members acting for him or them, shall be fined each, eight dollars; and on a repetition of the offence, may, by a majority of the Finance Committee, be dismissed from office and expelled from the corps. No excuse will be received in this case, but sudden affliction by sickness, or bodily hurt, or death, or extreme illness in the immediate family.

SEC. 8. Should the Treasurer neglect, omit or refuse to perform the duties prescribed under Rule 6th, he shall be subject to a fine of five dollars, and on a repetition of the offence, may, by a majority of the Finance Committee, be deprived of his office.

SEC. 9. If any member shall be absent from the city of Savannah more than six months at any one time, he shall forfeit his certificate. If any member shall be a defaulter at three successive assemblages of the corps, whereby fines are incurred, or shall suffer any charge against him on the Treasurer's books to remain unpaid for thirty days, he shall be liable to be stricken from the roll of the corps, whereupon his membership shall cease.

RULE FOURTEENTH.

COURTS MARTIAL.

SEC. 1. Should any commissioned officer of this corps be guilty of ungentlemanlike or unsoldierly conduct, disgraceful to the uniform, or tending to bring the corps into public contempt, or violate the parol by giving it to a person not a member, or of any breach of discipline or good order in the corps, he shall be answerable to the Company, convened for that purpose, by the officer commanding. Every officer so accused, shall receive notice of the accusation preferred against him, which shall be given in the following manner: A statement of the charges and specifications shall be

made in writing, and signed by five members of the corps; which charge and specifications shall be deposited with the First Sergeant, who shall record the same on the orderly book, and upon being endorsed by the officer commanding, shall serve a copy thereof upon the accused, at least ten days before the meeting of the Company aforesaid, at which meeting the accused shall be bound to answer the charges against him, personally, or in writing; and failure on the part of such officer to plead to the charges against him, as herein provided, to be considered as a confession of default, unless a satisfactory excuse is offered for non-appearance, when the meeting shall be adjourned to a succeeding day. Two-thirds of the corps resident, or known to be in the city, must be present at such meeting, and the vote of three-fourths of those present, shall be decisive with regard to the delinquency of the accused, and if convicted, his name shall be stricken from the roll, whereupon his membership shall cease.

SEC. 2. Any non-commissioned officer or private guilty of unsoldierly or degrading conduct, disobedience of orders, or any offence specified in the last preceding section, shall be amenable to a Court-martial, which shall consist of one commissioned officer, who shall be the President thereof, two non-commissioned officers and four privates, to be appointed by the officer commanding, and shall attend in full uniform, at such time and place as the President thereof shall appoint. And the Court thus constituted, being put upon their honor by the President, shall have power to fine, censure, cashier, expel or acquit, and such decision shall be final. Non-commissioned officers and privates, subject to the decision of the tribunal hereby constituted, shall receive notice of the accusation against them in the manner prescribed in the first section of this rule, at least five days before the time of its sitting; and if the accused shall fail personally to appear when summoned before the Court, he will be considered as acknowledging default, provided he was not absent from town, or sick at the time of the sitting of the Court; and should it be impossible, from any cause, for the accused to make his appearance, a letter to that effect to the officer commanding, shall authorize him to summon an extra Court to take the matter into consideration. It shall be the duty of the presiding officer of said Court to hand over to the First Sergeant, immediately on the adjournment of the

Court, a return of its proceedings, to be by him entered on the orderly book. Any member guilty of a contempt of this Court, or of insolent or improper behavior, or who refuses to submit to its verdict properly imposed, shall be expelled at the next assemblage of the corps.

RULE FIFTEENTH.

DELIBERATIVE MEETINGS.

SEC. 1. There shall be Quarterly Meetings of the corps held on the first Tuesday of January, April, July and October, in every year; to convene at seven o'clock P. M., in October and January, and at eight o'clock P. M., in April and July; but when the fourth of July happens on Tuesday, then the Quarterly Meeting to be held on the following Wednesday, and the officer commanding may, when he deems it expedient, order extra Deliberative Meetings of the corps, or by a notice to the Company when at parade or drill, they may be held instantler.

SEC. 2. All meetings of this description shall be held in undress, except the latter, and every officer and private shall be on the same footing and possess an equal vote, except the President, who shall vote only in the event of a tie; and nothing in this rule shall prevent the officer commanding from submitting any proposition not involving the rights secured to every officer and soldier by these rules, to the company when under arms, to be determined by the usual mode of stepping one pace forward.

SEC. 3. The following shall be the course of business at all Quarterly or other deliberative meetings :

1st. At a quarter of an hour after the period designated for meetings, the presiding and assisting officers, and all other members shall take their seats.

2d. The Roll shall be called.

3d. The Orderly and Secretary's minutes of last Quarterly, and all other meetings since, and all orders shall be read and disposed of.

6th. Reports of Standing and other Committees and resulting business.

7th. Petitions for membership.

8th. New business.

SEC. 4. At all deliberative meetings of the corps, the Captain or the senior officer present shall preside, assisted by the next senior officer.

RULE SIXTEENTH.

RULES OF ORDER.

The following shall be the Rules of Order for all deliberative meetings of the Company:

1st. A motion to adjourn shall not be in order until the course of business has been disposed of.

2d. No motion shall be open to debate, until it has been reduced to writing, seconded, and stated by the Chair.

3d. Every member, when he offers a motion or speaks, shall rise and respectfully address the presiding officer.

4th. Members shall confine themselves, while speaking, to the subject then under discussion, avoiding personalities and indecorous language.

5th. Should any member be called to order while speaking, he shall resume his seat until the question of order shall be decided, when, if the decision be in his favor, he may proceed again.

6th. Should two or more members rise about the same time, the presiding officer shall determine who is entitled to the floor.

7th. No member shall speak oftener than twice on the same subject, except by unanimous consent.

8th. When a blank is to be filled, the question shall be taken on the highest number or longest time proposed, and so down, but in all other cases the consideration of amendments shall begin with the last and end with the first.

9th. A call for the previous question shall always be in order, but must be sanctioned by a majority of the members present, which shall be ascertained thus: the presiding officer should ask, "Are you ready for the main question?" and if a majority present vote in the affirmative, the question shall be immediately taken on the original proposition, with the amendment already adopted.

10th. Before putting a question, except under the provision

of Rule 9th, the presiding officer shall ask, "Are you ready for the question?" and if no member rise to speak, the question shall be put.

11th. Except when otherwise provided by the rules, a majority of the votes shall decide all questions.

12th. Should the decision of a question be doubtful, the presiding officer may, of his own accord, or on the call of any member, order a division.

14th. Motions for re-consideration must be made and seconded by members who voted with the majority, such motions to be made at the same meeting, with the decision objected to, or at the next regular meeting thereafter, and the vote on the re-consideration shall be final.

15th. The decision of points of order shall be with the presiding officer, but any member may appeal from such decision, and the question shall then be, "Is the decision of the Chair the judgment of the Company?" which shall be determined without debate.

16th. Members, when speaking of other members, shall designate them by their appropriate rank in the corps.

RULE SEVENTEENTH.

AMENDMENT.

SEC. 1. Propositions to amend any one or more of these Rules, shall be reduced to writing and signed by a majority of the active members, and presented to the corps at one of its quarterly meetings, but shall not be acted on until the next quarterly meeting, when there shall be at least two-thirds of the members known to be in town present, and a majority of two-thirds of those present shall be necessary to carry the motion.

RULE EIGHTEENTH.
